

## **MAHLE RTI Will Have Strong Presence at MACS 2014 With Exhibit, Technical Talk and A/C Unit Giveaway**

York, Pa., January 7, 2014 – Showcasing its latest offerings for air conditioning (A/C) professionals, MAHLE RTI will exhibit at the MACS (Mobile Air Conditioning Society) 2014 Training Event and Trade Show, January 16-18, Sheraton, New Orleans. MAHLE RTI will be located at booth #104 and is a silver sponsor of the convention's keynote lunch and closest to the pin contest for the golf tournament.

In addition, Keith Korchma, eastern region sales director, MAHLE RTI, will provide a technical update on the A/C market for technicians on Friday, January 17. Korchma will highlight the vehicle models supported by the company's machines and any recommended maintenance. At its booth, MAHLE RTI will display its latest offering, a RHS®1280 machine that handles the new R-1234yf refrigerant.

MAHLE RTI will give away an ArticPRO® RHS®980H to one lucky winner as part of the MACS 2014 Show giveaways. The SAE J2788 certified unit is one of the company's most popular and is used to service hybrid and conventional vehicles with R134a refrigerant. All service member and non-member attendees at MACS 2014, including shop owners and technicians, will receive an entry form with their registration packet. Attendees can also register onsite, and must turn in entry forms at the MACS booth #116. Winners must be present on the trade show floor to win.

MAHLE RTI is a division of MAHLE Aftermarket, Inc. that specializes in the development, manufacturing and distribution of automotive maintenance equipment, including air conditioning service, fluid exchange and nitrogen tire inflation systems.
