

MAHLE Aftermarket “7 Reasons” Promotion Heats Up with Reason 3 and Chance to Win “Keep Your Cool ... In Your Garage!” Grand Prize Package

Farmington Hills, Mich., August 19, 2019 – MAHLE Aftermarket North America announced the third tier of the “7 Reasons” promotion today, offering participants the opportunity to win the “Keep your Cool ... In Your Garage!” grand prize package. Reason 3 of the promotion, tied to MAHLE thermal products, is open from August 19, 2019 through September 1, 2019.

“The MAHLE Aftermarket product portfolio includes a wide range of thermostats and thermal management components for temperature regulation,” said Jon Douglas, President, MAHLE Aftermarket North America. “And what’s most exciting, is the fact that as of January 1, 2020, we enhance our portfolio to include the full thermal product range that is currently offered by Behr Hella Service. This addition adds a completely new dimension to our product line, furthering our commitment to offering the widest range of underhood products with full OE competence,” continued Douglas. “What better way to award the grand prize winner of Reason 3 of the ‘7 Reasons’ promotion than with the means to ‘stay cool’ in their garage with this incredible tool kit grand prize.”

Participants can enter to win the Reason 3 grand prize package at www.mahle-aftermarket.com/7reasons and describe their reason for using MAHLE thermal management products. Our independent panel of experts will review and judge all entries according to the specific criteria outlined in the official rules. The “Keep Your Cool ... In Your Garage” grand prize package, valued at approximately \$750, includes a tool chest workbench and a gift card to purchase a selection of tools.

Contest is sponsored by MAHLE Industries, Inc. and is open to legal residents of the 50 United States. Entrants must be eighteen

(18) years of age or older at the time of entry. No purchase necessary to enter or win. See Official Rules for details. Entry period begins at 12:00 a.m. ET Aug. 19, 2019, and ends at 11:59 p.m. ET Sept. 1, 2019.

About MAHLE

MAHLE is a leading international development partner and supplier to the automotive industry as well as a pioneer for the mobility of the future. The group's product portfolio addresses all the crucial issues relating to the powertrain and air conditioning technology—both for drives with combustion engines and for e-mobility. In 2018, the group generated sales of approximately EUR 12.6 billion with more than 79,000 employees and is represented in more than 30 countries with 160 production locations.

About MAHLE Aftermarket

MAHLE Aftermarket, the business unit specializing in spare parts, uses the expertise from the series production of original equipment in its automotive aftermarket product range and supplies trade, workshop, and engine repair partners. The portfolio also includes products developed by MAHLE Service Solutions for workshop equipment as well as comprehensive services and customized training programs. The full extent of this expertise is found in the MAHLE, BEHR, BRAIN BEE, CLEVITE, IZUMI, KNECHT FILTER, and METAL LEVE brands.

MAHLE Aftermarket is represented at 25 locations and other sales offices worldwide, with around 1,700 employees. In 2018, the

business unit achieved a global sales volume of over EUR 928 million.

About MAHLE Service Solutions

MAHLE Aftermarket Inc., Service Solutions division specializes in the development, manufacturing and distribution of automotive services, tools and maintenance equipment, including vehicle diagnostics, air conditioning service, fluid exchange and nitrogen tire inflation systems. Formerly known as RTI Technologies, MAHLE Service Solutions continues its legacy of building shop equipment for the most stringent OEM and aftermarket needs. Along with this expertise, MAHLE Service Solutions combines the know-how of MAHLE Behr with automotive thermal management and MAHLE Powertrain with automotive test systems. Each of these three entities have more than 25 years of R&D and technology deployment experience providing advanced solutions for OE manufacturers.

In addition to the high-quality products offered through its Service Solutions division, MAHLE Aftermarket provides a comprehensive and well-developed service network to ensure quick and professional technical support and training for repair shops.
