

MAHLE

The digital MAHLE customer portal is the key to our service world.

The customer portal will be open both to workshops and to dealerships from 2020! Take a look at what it can offer you.

Information and booking system for technical training programs from MAHLE.

Marketing

Information materials, sales support items, promotional gifts and much more are now easy to order—in our new advertising material shop.

My Account

Also for tablet or smartphone.

The screenshot shows the MAHLE CustomerCare Portal website. At the top left is the 'CUSTOMER CARE' logo. A horizontal navigation bar contains icons for eShop, Catalog, Market Intelligence, Service Ticket, MediaCenter, MAHLE Training, Marketing, and My Account. In the top right corner, there is a 'Sign in' link and a language selector set to 'EN'. The main header features a large image of a smiling male mechanic in a workshop, with the text 'Welcome to the MAHLE CustomerCare Portal'. Below the header, a dark blue section contains the text 'Please select your area:' followed by a 2x4 grid of white buttons. Each button has an icon and a label: eShop (shopping cart), Catalog (book with 'i'), Market Intelligence (bar chart), Service Ticket (notepad), MediaCenter (gears), MAHLE Training (graduation cap), Marketing (megaphone), and My Account (person icon). Blue lines connect the text descriptions on the left to their corresponding icons and buttons on the website.
