

MAHLE Clevite Inc. Expands Inventory at California Customer Care Center To Better Serve West Coast Customers

Ann Arbor, Michigan, March 14, 2011 – MAHLE Clevite Inc. has expanded its inventory at its Customer Care Center in Bell, California. The California Customer Care Center now stocks over 9,000 sku's of filters, gaskets, and engine parts for both Light Vehicle and Heavy Duty applications.

Additionally, with the expansion of inventory in this region, MAHLE Clevite can now provide next day ground service on a much broader line of products to most of California along with same-day pick-up service in Southern California.

"With the recent expansion of our inventory at the Bell, California Customer Care Facility, we now offer a comprehensive lineup of products with improved shipping options," explains Ron Marr, Operations Manager, MAHLE Clevite Inc. "We're pleased to offer the majority of our line with next day delivery to better serve our West Coast customers."

The nearly 22,000 sq. ft. facility is open five days a week from 8:00 a.m. to 5:00 p.m. PST, and is fully staffed with experienced and dedicated associates.

For more information about this facility or about MAHLE Clevite products and services, visit www.mahlecle vite.com or contact your local sales representative.

About MAHLE

The MAHLE Group is one of the top 30 automotive suppliers and the globally leading manufacturer of components and systems for the internal combustion engine and its peripherals. Around 45,000 employees work at over 100 production plants and eight research and development centers. In 2009, MAHLE generated sales of approximately EUR 3.9 billion.
