

## **New Americana Limited Edition ArcticPRO Machine Helps Operation Support Our Troops - America**

York, Pa. – May 7, 2014 – Featuring "Old Glory" displayed prominently on the front, MAHLE Aftermarket, Service Solutions announces the availability of the new Arctic PRO®RHS®980 Series - Americana edition. For a limited time, MAHLE Service Solutions Division will make a \$50 donation to Operation Support our Troops – America (OSOT America) for each commemorative unit sold.

The mission of OSOT America is to support the morale and wellbeing of American forces by providing comfort, resources and education to troops and their families both while they are deployed and after their return.

"Through this special effort, we are pleased to support a charity that generously gives back to our troops who sacrifice so much for our freedom," said Max Dull, general manager, MAHLE Aftermarket, Service Solutions. "When service technicians purchase this machine they can have confidence in a unit with better performance and functionality than competitive models. Plus, they have a stylish, patriotic unit to display in their shop that supports an honorable cause."

The Arctic PRO®RHS®980 Series-Americana edition is designed for use on R134a vehicles and is compliant with the SAE J2788 standard. The unit features fully automatic operation to provide shops with superior system performance, quicker service times, less wasted refrigerant and increased customer satisfaction. This limited time offer ends on July 4, 2014. To download a copy of the flyer about the Arctic PRO®RHS®980 Series-Americana edition and this limited time offer, visit <http://www.rtitech.com/pdfs/RHS980AmericanaPromo.pdf>.
