

**MAHLE Clevite Receives NAPA Canada Club 95 Award For Order Fill**

Ann Arbor, Michigan, March 6, 2008 – MAHLE Clevite Canada ULC has been recognized by NAPA as a proficient supplier in 2007. The organization received the award for the NAPA Gaskets by Victor Reinz® line. This marks the second consecutive year that MAHLE Clevite Canada received the coveted Club 95 award presented annually by NAPA.

Each year, NAPA recognizes those manufacturers who provide NAPA Distribution Centers with a 95% or above fill rate for its respective product lines. Each manufacturer attaining this high level of performance receives a plaque commending their achievement and obtains entry into a very prestigious club of elite NAPA suppliers.

“We are thrilled to be a member of NAPA’s elite Club 95,” said Bruce Saxton, Manager – Operations for MAHLE Clevite Canada. “It is a testament to the clear focus and commitment our group has to our valued customers.”

As the leading development partner of the automotive and engine industry worldwide, MAHLE offers its customers unique systems competence in the areas of internal combustion engines and engine peripherals. MAHLE is among the top 3 suppliers globally for piston systems, cylinder components, valve train systems, air management systems and liquid management systems. Our circle of customers includes all renowned combustion engine manufacturers.

MAHLE has a local presence in all important world markets. The Group has more than 40,000 dedicated employees in 110 production plants and seven research and development centers. Worldwide, nearly 2,300 development engineers and technicians work as partners for our customers on forward-thinking concepts, products and systems focused

on the continuous development of the combustion engine. In 2007, the MAHLE Group expects sales of approximately EUR 5 billion (USD 7.5 billion), positioning the company among the top 30 automotive suppliers globally.
