E**MAHLE Aftermarket Inc. Releases 2017 MAHLE Original Gasket Catalog for Automotive Aftermarket Customers**

Farmington Hills, Mich., September 12, 2017 – MAHLE Aftermarket Inc. recently announced the release of its 2017 MAHLE Original® gasket catalog for Asian, European and domestic applications in North America.

The MAHLE Original gasket catalog features 6,871 SKUs, including 1,314 new part numbers, and 1,151 part numbers that are exclusive to MAHLE. The 2017 catalog provides coverage for over one million applications, representing more than 35 million vehicles in operation in North America.

“MAHLE Original gaskets match OE parts in form, fit and function,” said Jon Douglas, general manager, MAHLE Aftermarket North America. “The MAHLE Original gasket line also offers the best coverage in the aftermarket – across domestic, Asian and European vehicles.”

The catalog can be downloaded in PDF format on [www.mahle-aftermarket.com](http://www.mahle-aftermarket.com). The part numbers contained in this new catalog are also available in the eCatalog online at [catalog.mahle-aftermarket.com/na](http://catalog.mahle-aftermarket.com/na), where the application can be searched by product, vehicle make and engine. The catalog is written in English, with French and Spanish translations available for the body of the catalog.

MAHLE Aftermarket Inc. announced at AAPEX 2016 that the new brand name for the gasket line would be MAHLE Original; these are the same sealing products sold in North America since 2007 under the Victor Reinz brand licensed to MAHLE Aftermarket.

(more)

MAHLE Aftermarket also announced at AAPEX the “Drive With The Original” promotion, with a grand prize of a custom-built, twin-turbocharged MAHLE Mustang built by Petty’s Garage. The winner will be selected at AAPEX 2017 in the MAHLE booth.

Information on entering the “Drive With The Original” Promotion is available on specially marked MAHLE Original gasket boxes. Complete information about the “Drive with the Original” promotion, including official rules, terms and conditions, can be found at [www.drivewiththeoriginal.com](http://www.drivewiththeoriginal.com).

**About MAHLE Aftermarket**

MAHLE Aftermarket, the business unit specializing in spare parts, uses the expertise from the series production of original equipment in its automotive aftermarket product range, and supplies trade, repair shop and engine repair partners. MAHLE Aftermarket is represented at 22 locations and other sales offices worldwide, with 1,555 employees. In 2016, the business unit achieved a global sales volume of EUR 899 million (USD 946 million).

**About MAHLE Service Solutions**

MAHLE Aftermarket Inc., Service Solutions division specializes in the development, manufacturing and distribution of automotive services, tools and maintenance equipment, including vehicle diagnostics, air conditioning service, fluid exchange and nitrogen tire inflation systems. Formerly known as RTI Technologies, MAHLE Service Solutions continues its legacy of building shop equipment for the most stringent OEM and aftermarket needs. Along with this expertise, MAHLE Service Solutions combines the know-how of MAHLE Behr with automotive thermal management and MAHLE Powertrain with automotive test systems. Each of these three entities have more than 25 years of R&D and technology deployment experience providing advanced solutions for OE manufacturers.

In addition to the high-quality products offered through its Service Solutions division, MAHLE Aftermarket provides a comprehensive and well-developed service network to ensure quick and professional technical support and training for repair shops. For more information about MAHLE Aftermarket Service Solutions, visit [www.servicesolutions.mahle.com](http://www.servicesolutions.mahle.com).
