

MAHLE Announces “King of the Hammers” Social Media Promotion Featuring Casey Currie, with MAHLE Service Solutions Equipment Grand Prizes

Farmington Hills, Michigan, January 22, 2019 – MAHLE Aftermarket Inc. has announced the “King of the Hammers” (KOH) Casey Currie Contest that has two Grand Prizes for off-road enthusiasts of MAHLE Service Solutions shop equipment, plus weekly prize packets from MAHLE and Casey Currie.

Contestants may enter by posting pictures or videos of their Jeep or off-road adventures on Instagram, Twitter or Facebook using the hashtag #MAHLEKOH. MAHLE will select the winners of the weekly prize packs of a MAHLE & Casey Currie T-Shirts & Hats signed by Currie and a MAHLE air filter & oil filter for a 2007-2018 Jeep JK.

Two Grand Prize winners will be selected from the weekly winners and will receive the first prize of NitroPRO Nitrogen Top Off Gun valued at \$500, or the second prize of a pair of ShopPRO 7-1/2 Ton Jack Stands valued at \$300.

MAHLE Aftermarket and Casey Currie will have special giveaways exclusively for attendees at the 2019 King of the Hammers in Johnson Valley, CA from February 1st through February 9th.

The MAHLE King of the Hammers Casey Currie contest ends February 10th, 2018. Full rules and restrictions are at: <https://woobox.com/bzde6f>. Entries will appear at this site in a gallery. The contest is open only to U.S. residents, no purchase is necessary. Winners will be contacted via social media for details on prize shipment.

About MAHLE

MAHLE is a leading international development partner and supplier to the automotive industry as well as a pioneer for the mobility of the future. The group’s product portfolio addresses all the crucial issues relating to the powertrain and air conditioning technology—both for drives with combustion engines and for e-mobility. In 2017, the group generated sales of approximately EUR 12.8 billion with around 78,000 employees and is represented in more than 30 countries with 170 production locations.

About MAHLE Aftermarket

MAHLE Aftermarket, the business unit specializing in spare parts, uses the expertise from the series production of original equipment in its automotive aftermarket product range. The business unit supplies trade, workshop, and engine repair partners with products in original equipment quality; they range from engine parts and filters to engine peripheral components and engine cooling

(more)

components. The product portfolio is supplemented by workshop equipment developed by the MAHLE Service Solutions division as well as comprehensive services, and customized training programs. The full extent of this expertise is found in the brands MAHLE ORIGINAL, BEHR, CLEVITE, IZUMI, KNECHT FILTER and METAL LEVE. MAHLE Aftermarket is represented with around 1,600 employees at 25 locations and other sales offices worldwide, including numerous logistics centers and regional offices. In 2017, the business unit achieved a global sales volume of over EUR 950 million.

About MAHLE Service Solutions

MAHLE Aftermarket Inc., Service Solutions division specializes in the development, manufacturing and distribution of automotive services, tools and maintenance equipment, including vehicle diagnostics, air conditioning service, fluid exchange and nitrogen tire inflation systems. Formerly known as RTI Technologies, MAHLE Service Solutions continues its legacy of building shop equipment for the most stringent OEM and aftermarket needs. Along with this expertise, MAHLE Service Solutions combines the know-how of MAHLE Behr with automotive thermal management and MAHLE Powertrain with automotive test systems. Each of these three entities have more than 25 years of R&D and technology deployment experience providing advanced solutions for OE manufacturers.

In addition to the high-quality products offered through its Service Solutions division, MAHLE Aftermarket provides a comprehensive and well-developed service network to ensure quick and professional technical support and training for repair shops. For more information about MAHLE Aftermarket Service Solutions, visit www.servicesolutions.mahle.com.
