

MAHLE Aftermarket and Richard Petty Motorsports Social Media Promotion Offers Grand Prize Trip to Las Vegas to Meet “The King” and Bubba Wallace

Farmington Hills, Michigan, February 13, 2019 – MAHLE Aftermarket Inc. has announced a promotion in conjunction with Richard Petty Motorsports with the Grand Prize of a trip for two to the *Pennzoil 400* in Las Vegas on March 3, 2019, where they will have the chance to meet “The King” Richard Petty and Darrell “Bubba” Wallace Jr., driver of the Richard Petty Motorsports No. 43 Chevrolet.

Contestants may enter by using the hashtag “*#mahlepetty*” when they share, tag or retweet a special video of Bubba Wallace announcing the promotion on the Richard Petty Motorsports Facebook page (@RPMotorsport4344). The video was posted on Monday, February 11, 2019.

In addition to having the chance to win the Grand Prize, entrants will also be entered into a random drawing to win one of 10 MAHLE/Petty Motorsports Prize Packs during the weeks of February 11 and February 18, 2019.

“We are celebrating our association with Richard Petty Motorsports by kicking off the NASCAR season with this unique and exciting promotion,” said Jon Douglas, president of MAHLE Aftermarket North America. “The lucky winner and a guest are going to have the time of their lives in Las Vegas! We’re proud of our on-going association with the Richard Petty Motorsports family, and this is just a great way for us to exhibit that pride.”

The Grand Prize winner will receive a trip for two to Las Vegas on March 2 - 3, 2019, during which they will be the VIP guests of Richard Petty Motorsports for the *Pennzoil 400* race weekend, receiving a pit and garage tour; a meet and greet with Petty and Wallace; and premium seating for Sunday’s *Pennzoil 400*.

The promotion will conclude on February 23, 2019 at 11:59 pm. The Grand Prize winner will be selected and notified on Monday, February 25, 2019. Additionally, the MAHLE/Petty Motorsport Prize Pack winners will be notified during the week of February 25, 2019.

About MAHLE

MAHLE is a leading international development partner and supplier to the automotive industry as well as a pioneer for the mobility of the future. The group's product portfolio addresses all the crucial issues relating to the powertrain and air conditioning technology—both for drives with combustion engines and for e-mobility. In 2017, the group generated sales of approximately EUR 12.8 billion with around 78,000 employees and is represented in more than 30 countries with 170 production locations.

About MAHLE Aftermarket

MAHLE Aftermarket, the business unit specializing in spare parts, uses the expertise from the series production of original equipment in its automotive aftermarket product range. The business unit supplies trade, workshop, and engine repair partners with products in original equipment quality; they range from engine parts and filters to engine peripheral components and engine cooling components. The product portfolio is supplemented by workshop equipment developed by the MAHLE Service Solutions division as well as comprehensive services, and customized training programs. The full extent of this expertise is found in the brands MAHLE ORIGINAL, BEHR, CLEVITE, IZUMI, KNECHT FILTER and

METAL LEVE. MAHLE Aftermarket is represented with around 1,600 employees at 25 locations and other sales offices worldwide, including numerous logistics centers and regional offices. In 2017, the business unit achieved a global sales volume of over EUR 950 million.

About MAHLE Service Solutions

MAHLE Aftermarket Inc., Service Solutions division specializes in the development, manufacturing and distribution of automotive services, tools and maintenance equipment, including vehicle diagnostics, air conditioning service, fluid exchange and nitrogen tire inflation systems. Formerly known as RTI Technologies, MAHLE Service Solutions continues its legacy of building shop equipment for the most stringent OEM and aftermarket needs. Along with this expertise, MAHLE Service Solutions combines the know-how of MAHLE Behr with automotive thermal management and MAHLE Powertrain with automotive test systems. Each of these three entities have more than 25 years of R&D and technology deployment experience providing advanced solutions for OE manufacturers.

In addition to the high-quality products offered through its Service Solutions division, MAHLE Aftermarket provides a comprehensive and well-developed service network to ensure quick and professional technical support and training for repair shops. For more information about MAHLE Aftermarket Service Solutions, visit www.servicesolutions.mahle.com.
