

MAHLE

Thermomanagement
„Made by MAHLE“
Früher Delphi, jetzt BEHR

BEHR®

Eines der umfangreichsten Thermomanagement-Sortimente – perfekt ergänzt.

Früher Delphi, jetzt BEHR: Die beliebten Thermomanagement-Produkte des bisherigen Herstellers haben eine neue Heimat gefunden. Nur bei uns erhalten Sie das bekannte Sortiment an Klimakompressoren und weiteren Produkten rund um Heizen und Kühlen garantiert in OE-Qualität. In nun eigenen Werken produziert. Made by MAHLE.

OE-Qualität garantiert

Gerade in einer Zeit, in der sich die Mobilität rasant verändert und sparsame, klimafreundliche Verbrennungsmotoren sowie alternative Antriebskonzepte parallel existieren, braucht es umso mehr einen erfahrenen, zuverlässigen und innovativen Partner. Einen Partner, auf den man sich ganz einfach verlassen kann, und dessen stetig wachsendes Produktportfolio keine Wünsche offen lässt. Einen Partner wie MAHLE.

Aus diesem Grund haben wir vor einiger Zeit die Thermomanagement-Werke des Autozulieferers Delphi Automotive PLC übernommen. Besondere Bedeutung hatte für uns dabei das Klimakompres-

soren-Sortiment, das wir nun auch dem freien Teilemarkt unter der Vertriebsmarke BEHR und der Dachmarke MAHLE zur Verfügung stellen können – natürlich in OE-Qualität.

Weitere Teile in Erstausrüstungsqualität – wie etwa Klimakondensatoren, Lüfter, Ladeluftkühler, Kühlmittelkühler und vieles mehr – ergänzen das bisher schon umfangreiche Angebot im Bereich Thermomanagement perfekt.

Insgesamt knapp **200 Teile**, die wir für Sie in dieser Broschüre auf einen Blick zusammengefasst haben.

➤ Bei MAHLE stehen stets die Bedürfnisse des Kunden im Vordergrund. Deshalb bieten wir das umfangreichste Premium-Sortiment für Fahrzeugklimatisierung und Motorkühlung im freien Aftermarket an. Die PREMIUM LINE umfasst dabei Ersatzteile in OE-Qualität, deren Langlebigkeit auf den gesamten Fahrzeuglebenszyklus ausgelegt ist. Sie bringen selbst bei extremen Bedingungen Höchstleistung.
